Freshmen LMC Orientation Scavenger Hunt!

Your team will be collecting the answers to clues all around the LMC using your searching skills, your collective intelligence and creativity, and a mobile device.

As you move from section to section, you’ll either take a photo, record some audio, or type some text in an Evernote notebook. Your responses are automatically shared with Mrs. Wachowiak and will be scored for an English grade.

Each iPad Mini has an Evernote account set up. All you need to do is tap the “+” to submit your answer...
